Limited Offerings

As we ramp up and fully staff the kitchen we will not be offering specials and features to the menu.

So until then, it's business as usual. Can we suggest taking a look at our menu and try all the great stuff like Cheese Steaks, Wings, Burgers, Home-Made Soups and Chili, that got us here.

Kitchen is open at 11am, taking its last order at 9pm.
Thursday thru Sunday.

Thanks for your patience.

Thanks for being patient while we ramp up the kitchen.
